

MA AFL-CIO Gompers – Murray – Meany Annual Educational Conference

MA AFL-CIO Moth Story Telling Hour

The labor movement is full of stories – from our struggles, to lessons, fumbles, and victories. Some of our stories tug at the heartstrings and some make us laugh. Now is our time to share them with each other! Here’s how to participate in our Moth storytelling hour:

- You can tell us any story about your experiences in the labor movement. This year’s conference theme is “Labor Strikes Back” – so extra points go to stories from the front lines.
- You will have up to 7 minutes to give us your best story from yesterday or 30 years ago.
- Our panel of judges will score all of the stories and choose a winner who will receive a **certificate for a free night at the Sea Crest hotel!**

Whether you’re telling a story or in the audience ready to cheer, join us Wednesday, May 22nd at 7:30pm after the Gompers clambake for a fun-filled evening! Weather-permitting, the storytelling hour will be held in the Courtyard.
